

Mimo Magic Touch Deluxe

UM-1010A 10.1" USB Monitor by Mimo Monitors

The Mimo Magic Touch Deluxe is a perfect solution for touchscreen control panels with a 2-port USB hub

10.1" USB Monitor

The Mimo Magic Touch Deluxe is an upgraded version of the Magic Touch, with its docking base doubling as a 2-port USB hub. It is a perfect solution for touchscreen control panels in such applications as corporate videoconferencing, data entry/capture, smart home entertainment systems, and industrial/manufacturing controls. It is also ideal for a range of other touchscreen applications in healthcare, hospitality, retail, education, sound/video editing, and many other industries.

General Specifications:

- Multi-touch capacitive touchscreen
- Dock/base also serves as a USB hub w/two convenient USB ports
- Fully compatible with Windows 7, Linux & MAC OS X
- Display-only mode compatible with Win XP/Vista/2000
- 1024x600 resolution
- 10.1" screen
- Sturdy, adjustable dock/base
- Screen can also be removed and used independently, as a tethered tablet or mounted (VESA 75) screen
- USB cord included
- AC adapter included, but optional, to power your additional USB devices or the display

Applications:

- Kiosk information system
- Gaming and amusement
- Light industrial shop-floor automation
- POP/POS
